

FIN DEL MUNDO PRESSKIT 2023

Fin del Mundo was formed in 2019 in Buenos Aires with roots in the southernmost region of Patagonia: Tierra del Fuego and Chubut. Their music invites us to travel both spaces through melodies, lyrics and instrumental passages that combine an indie sound with nuances of emotional post-rock.

While their first songs released in April 2020 were the soundtrack of our strange days of isolation, their second EP looks for other musical directions to show that the end of the world is not the culmination but the beginning of a new stage.
